THURSDAY 6TH NOVEMBER 2025

INTERCONTINENTAL HOTEL, DUBLIN

Welcome to the Business Post Leadership Excellence Awards— a celebration of exceptional leadership in the Irish business landscape. In 2024, we embarked on a journey to honour and recognise the visionary leaders who are shaping the future of Ireland’s business community, marking the beginning of an enduring tradition of celebrating excellence in leadership.

OUR AWARDS

The Business Post Leadership Awards honour visionary executives, rising leaders, and changemakers who demonstrate innovation, integrity, and influence in their fields. Each year, nominees are carefully evaluated based on their achievements, leadership style, and lasting contributions. Award categories highlight innovation, mentorship, social responsibility, and transformative leadership, ensuring that honourees reflect the values and diversity of modern leadership.

The ceremony itself brings together business and community leaders, innovators, and changemakers for an inspiring evening of recognition and networking. Beyond the awards, the event fosters dialogue around leadership challenges and opportunities in today’s rapidly evolving world.

By honouring these remarkable individuals, the Leadership Awards aim not only to celebrate success but also to encourage a culture of purpose-driven leadership that empowers future generations.
